Dear Friends,

I am your little boy Shreyas R. I am studying in second grade. My school name is Vidyaranya English School. This year we have new uniform. I like this color.

I hope you all are fine there. I and my family members are good here. My brother is also fine. I love him very much.

My midterm exams are over. I am happy to go to school. We celebrated Independence Day and teacher's day at school. I like to participate in other activities.

I am happily participated in the camp. I met new friends there. I had enjoyment with them. I learned nice action songs.

At home we grandly celebrated our Diwali festival. I wore nice dress it is brought from your Diwali gift. I and my sister were light firecrackers.

I wish you Merry Christmas and New Year 2023. We are sending lots of kisses to you all.

Yours dearly,

Shreyas R.
